***Providing Global
Opportunities for Innovative
Ministries***

Dear Pastors and Friends in Christ:

My wife and I greet you in the name of our Lord Jesus Christ. We are grateful to God for the health He is giving us as we carry on the work of the ministry, and we are thankful to you for your faithfulness in prayer and in giving. "For we are labourers together with God..."

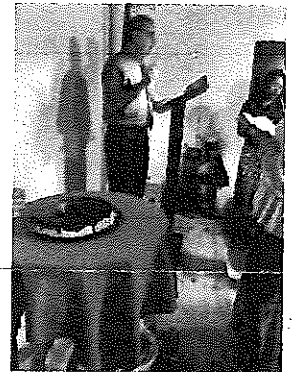

In the 29 years of ministry, I have had the opportunity of sharing with many the ministry experiences that God and the mission field have taught me. Thank God for his faithfulness that helps us to remain faithful otherwise all the labors have been in vain.

As I visit different mission fields, I listen to questions concerning the why, what, and how in the different aspects of ministry (1 Peter 3:15). There is a great need for leadership as we plant new churches and make sure those younger pastors on the mission field succeed in their efforts of serving others.

The Cardenas Family are members of the main church (Las villas in Cartagena) and are strong leaders. They are willing to help with the work in Since, Colombia, the ministry of the Cross family. They are located four hours traveling by land from the city of Cartagena. The Cardenas are a key factor as they help shape this ministry.

This November, my wife and I are taking a group from Cartagena to Valledupar, Colombia. It will be 8 hours traveling by bus. We are going to be there for 3 days while we help missionary Michel Hart and his dear family with an evangelistic effort and the encouragement of his people. He has been there for four years. We will be ready to pass out tracts, preach in public areas, and win many souls for the glory of God. We want to see God do a work in the heart of the people of Valledupar that they will never forget.

Love in Christ your Missionary,

Alberto & Nelcy Gomez
